W. A. Burrowes Dies Here At 55

Services Held Monday
For City Attorney

Funeral services for Dills A. Burrowes, of 414 Anthwyn Rd., Merion, were held Monday afternoon at Barrett's Funeral Home, Park and Lehigh Aves., Philadelphia.

Mr. Burrowes, who lived in Merion since 1939, died last Thursday at his home after six-months' illness. He was 55 years old.

A resident of 342 Iona Ave., Narberth, from 1921 to 1939, Mr. Burrowes was a patent attorney and was associated for 30 years with Howson and Howson, of Philadelphia.

Mrs. Burrowes' first wife, the former Anna K. Scheetz, died in 1943.

He is survived by his second wife, the former Mrs. Mabel H. Albright, whom he married in 1945, and his son, Willis A., Jr. Interment was in Mt. Peace Cemetery, Philadelphia.

CHURCH GROUP TO MEET

The Woman's Association of the Baptist Church of the Evangel, Narberth, will sponsor a covered dish luncheon to be held Tuesday at 12:30 P. M., in the church.

Boro Man, Wife, Children Are Evicted Here

Woodbine Ave. Family
Now Living At 4
Different Places

The housing shortage is responsible for one more broken home. John P. O. Lavin, his wife and three children were evicted from their home at 228 Woodbine Ave., Narberth, last week after living there three years.

A former landscape gardener for several Main Line firms, John, at the beginning of the month got a job as a houseman at the Merion Cricket Club, but he didn't expect to live there.

After his wife returned from the hospital recently with their young son, John Joseph, he didn't expect to have to leave his two daughters, Anna, 4, and Catherine, 3, in the care of the Catholic Children's Bureau, nor his month-old son at St. Vincent's Hospital.

But that is just what happened following their eviction last week. Mrs. Lavin is now living with her sister, Mrs. James Carthy, of Cricket Ave., Ardmore, and, as things stand now, she plans to look for a job as a child's nurse.

Lavin plans to continue to work at the Merion Cricket Club, where he will live—and both of them are looking for a place where they can be together again after their enforced separation.

so he says the money will surely come in handy for that mortgage. He teaches English at Episcopal . . .

Be sure to attend that dinner which the Women's Society of Christian Service is sponsoring to help pay off the debt of the Narberth Methodist Church March 24. It's the first of those dinners which has been open to the public in years, and it sounds as though it will be delicious—roast pork and sauer kraut! Mrs. Fred Blant-holt (at Ardmore 1914-M) is taking reservations for it and Mrs. Henry A. Frye is general chairman of the dinner. Mrs. Howard White is going to prepare the dinner and Mrs. J. Mosteller will have charge of the dining room . . .

Heard that the Juniors of the Women's Community Club put on a wonderful Fashion Show last Thursday . . . By the way, Mrs. C. Arley Farmer's commenting added to the gaiety, it was especially noted . . .

Knowing that many Borolites are interested in Plays and Players, I usually see Narberth people at every show. I do hope you got a chance to see Mrs. Wendell Clough from over on Calvert Rd., Merion last week who she played the lead in Noel Coward's "Still Life." She did a marvelous job . . . she has done a lot of professional work and she certainly did show her training in the role of Laura Jesson.

Do hope that pretty, blond Peggy Wingate, the youngest daughter of the S. Leroy Wingate's of 107 Chestnut Ave., is recovering from that nasty attack of mumps she's had the last couple of weeks . . .

Guess that's about all for this week . . . 'Bye now . . .

Don Rose To Address Boro P. T. A. Meeting

Don Rose, columnist for the Evening Bulletin, will be the guest speaker at Narberth's PTA meeting Monday evening, March 17. He will speak on his experiences abroad with other newspaper correspondents.

The meeting will be held in the school auditorium and is scheduled to begin at 8:15 P. M.

Special music for the evening will be presented by the music chairman, Mrs. W. J. Drennen.

LT. CARL WILL, JR., RELEASED BY NAVY

Lieutenant Carl Will, Jr., USNR, of 212 Grayling Ave., Narberth, has been released to inactive duty at the Philadelphia Naval Base after serving almost five years in the Navy.

During the war Lt. Will served in the South Pacific and Alaska areas aboard the USS Raleigh. He took part in the naval engagements on Attu, Kiska and the Marshall Islands.

A graduate of Duke University, Lt. Will is the son of Mr. and Mrs. Daniel C. Will, Sr., of 315 Cedar Lane, Drexel Hill.

Letter To The Editor

91 Windsor Ave.,
Narberth, Pa.
Mar. 8, 1947.

The Editor,
Our Town,
Ardmore, Pa.
Dear Sir:

Narberth Public School is one of the finest, judging from the

families of the children who go there.

I have read in the papers their outstanding achievements. For example, a Narberth girl was chosen to be on the radio the radio the other night. A high percentage of these Narberth children are on the Honor Roll at Lower Merion.

They also are excellent in their sports and hold citizenship offices there.

It is obvious that the children

must come from a good school with good, clean and intelligent teachers. Some times people without children are not interested in teachers and schools; but I feel that they should, for schools are

the starting point of our good citizens.

Give these teachers their raises now so that we do not lose them.

Most Sincerely
(Mrs. J. A.) Laura R. McCaffrey

WHY WE ARE ASKING FOR INCREASED COMMUTATION FARES

The commutation fare you pay today is the same as paid by the commuter in 1920.

When this fare was established 27 years ago, it was based on the cost then prevailing to provide the service.

While passenger service costs rose slightly between 1920 and 1940, since the latter year they have surged to record-breaking levels.

Today our labor costs are **60% HIGHER** THAN IN 1940. This includes the new payroll taxes for social security benefits to railroad workers under the Crosser Act, which will cost the Pennsylvania Railroad alone millions of dollars annually.

Today we are paying, on the average, **60% more** than in 1940 for everything we must buy and use to provide you with commuting service — even down to the paper in your ticket.

These items—labor, fuel and materials—took 80c out of every dollar you paid us last year, and what was left was not enough to meet our taxes and other expenses. In fact, for the first time in 100 years the Pennsylvania Railroad reported a deficit on its year's operations—a loss of more than \$8,000,000 in 1946.

So it all boils down to this—

We simply cannot meet today's tremendously higher service costs with 1920 commutation fares.

To help close the big gap between income and outgo, the Pennsylvania Railroad has joined

other Eastern railroads in asking the regulatory authorities for an increase in all classes of passenger fares, including commutation fares.

WHAT THE PROPOSED INCREASE WILL COST YOU

For the commuter, the increase will amount to, on popular monthly tickets, \$2.50 or about 5c more per ride. On weekly tickets the proposed increase will be 65c. Other forms of tickets for suburban riders will carry a proportionate increase.

All in all, the proposed fare rise is a moderate one. It is doubtful if this in itself is enough to make commuting service pay its own way, but it will help. We think our commuters will see the reasonableness and justice of our request and we welcome your cooperation and support.

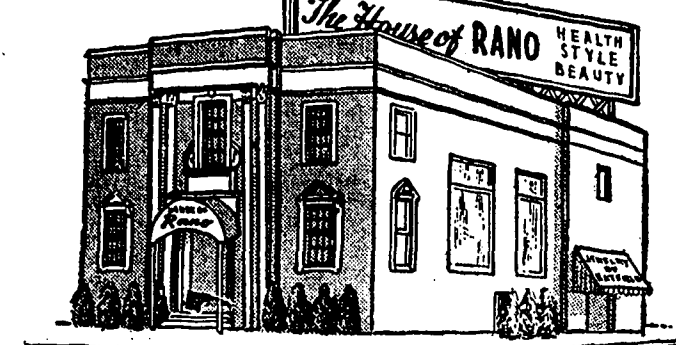

Our job is still to provide you with a commuting service at the lowest possible cost—and we will do everything within our power to live up to that obligation.

Mrs. Allen Hanson, of 209 Price street, is recuperating at home after a recent seige of the grippie.

Mr. and Mrs. William Everhart, Jr., of 501 Beechwood Lane, Narberth, returned recently from the West Coast. On their way home they stopped off in Arizona where Mr. Everhart, Sr., has a ranch.

Mrs. Everhart's mother, Mrs. Ann Townsend, who was staying with Judy and Bill Everhart while their parents were away, has returned to her home in Wilmington, N. C.

Mrs. A. S. Digby, of the Berkeley Apartments, Narberth, returned Friday from Pittsburgh where she was the guest of her daughter, Mrs. J. H. Jewell.

Mrs. Ludlow Named Foster Homes Aide

Mrs. Benjamin Ludlow, of Bryn Mawr Court, Bryn Mawr, has been named chairman of the Community Organization of Foster Homes for Children. She succeeds Mrs. Stephen Haas, whose resignation was accepted several weeks ago.

Mrs. Ludlow, who served as wartime director of child care for the Pennsylvania Council of Defense, is a member of the Committee on Child Care for the Eastern Region of the United States, and is active in many child welfare projects.

District Governor Talks To M. L. Lions

Ross Sacers, District Governor of Lions International, was the speaker at the regular meeting of the Main Line Lions Club Thursday night.

C. H. Davis, president of the local club, presided at the regular weekly dinner meeting, which was held at Hotel Haverford Court.

Fashion Show and Bridge Staged by Junior Club

Five Narberth women modeled a variety of colorful spring gowns, suits and hats, before more than 250 members and guests of the Narberth Junior Women's Community Club last Thursday evening.

The occasion was the Junior's annual Spring Fashion Show and Bridge. Mrs. A. R. Smith, Jr., was chairman of the affair, assisted by Mr. George Stulting, Mrs. Ray Hunter, Mrs. Peggy Phillips, Mrs. E. H. Wick and Mrs. Donald Reed.

Mrs. C. Arley Farmer, member of the senior club, was commentator during the fashion show, the details of which were handled by Mrs. N. Bruce Gill. The dresses and suits were supplied by the Norman Jefferies Shop, and the hats by Cele, a Narberth hat designer.

Models included Mrs. Robert J. Sigel, Mrs. John A. Standon, Jr., Mrs. Robert Rickabaugh, Miss Jane Ensinger and Mrs. Sally Flowers.

Among the most outstanding of the gowns was a gold crepe evening dress fashioned with a square neckline and short sleeves and featuring the new side drape and slit skirt. With this the model wore in her hair a fetching black net scarf dotted with a profusion of gold and red sequins.

Another striking outfit was a black, white and watermelon pink crepe afternoon dress, made with a sweetheart neckline and short sleeves, and featuring a bow effect at the side of the full skirt. Completing the ensemble was a matching watermelon pink felt bonnet, trimmed around the crown with an imported flower spray.

Mrs. Albert Geougeon, of Philadelphia, was the winner of a spring hat, created and donated by Cele. Mounted on a wire frame, the hat was a mass of moss green veiling trimmed with tiny white lillies of the valley.

Mrs. George Wilson, of 103 Merion Ave., Narberth, won the dress which the Norman Jefferies Shop donated.

Following the awarding of door prizes, members moved over to the legion post rooms for a session of bridge.

Club Women To Present Annual Music Program

Songs and music of the various countries of the world will be presented in "United Nations Musical Review" by the Music Department of the Narberth Woman's Community Club Tuesday afternoon.

Mrs. William C. Seifert, music chairman, is in charge of the affair, which will be held in the Community Building at 2 P. M.

Mrs. E. M. Parran, assisted by Mrs. J. M. Bickford, will be narrator during the program.

Participants and their selections are as follows:

Mrs. E. N. Merkle will sing a Chinese lullaby; American folk songs will be presented by the Menarwyn Trio; Mrs. Ralph Giles, Mrs. A. B. Wheeler and Mrs. A. W. Walker; Mrs. Cletus Senft will sing a Russian folk song; Mrs. R. Rollins has been chosen to sing an Italian song.

Other performers include Mrs. R. G. Bennett, who will present an Italian-American reading; Mrs. Franklin Duncombe, who will sing an Early English folk song; and Mrs. Mildred Bailey, who will present a medley of Polish music on the piano. Miss Barbara Ely will dance the Mexican Hat Dance.

Recent meetings of the club include a Literature Department meeting Tuesday afternoon, and a dessert-bridge sponsored by the Camp and Hospital Committee, Wednesday.

At the meeting of the literature group, whose chairman is Mrs. Edwin R. Kirk, Mrs. Carl E. Starr presented a review of "The Happy Profession," by Ellery Sedgwick. Mrs. Kirk gave a resume of the

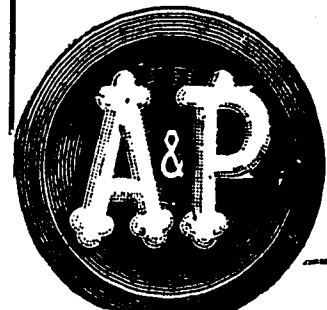

Gene Wingate To be Married On April 19

The marriage of Miss Gene Yarnall Wingate, daughter of Mr. and Mrs. S. LeRoy Wingate, of 107 Chestnut Ave., Narberth, to Raymond C. Jones, Jr., of Germantown, son of Mr. and Mrs. R. Clifford Jones, of West Chester, will take place Saturday afternoon, April 19, at 4 o'clock, in the Bala-Cynwyd Methodist Church. Rev. Dr. Gladstone Holm will perform the ceremony.

Miss Dorothy K. Jones, sister of the bridegroom, will serve as maid of honor, and the bridesmaids will include Miss Suzanne Yarnall Wingate and Miss Margaret Wingate, sisters of the bride.

A reception at the Merion Tribune House will follow the ceremony. After a wedding trip, Mr. Jones and his bride will make their home in Germantown.

CARE Packages to be Seen Here at Strawbridge's

From March 17 to 29 at the Strawbridge and Clothier store, Suburban Square, there will be displayed two types of packages which may be sent to Europe through the non-profit relief organization, CARE, Cooperative for American Remittances to Europe, 50 Broad St., New York City.

One package contains two wool blankets and sewing material. The other is a new food package which leading food experts and nutritionists have designed to combat food scarcities in Europe. It contains raw materials from which the recipient can make cooked foods suitable to his own tastes and national habits.

National Dishes

Different national foods which can be made from the new CARE food package were recently demonstrated by embassy chefs of the 12 European countries in which CARE operates. At the Greek embassy, they had "potatoes mousaka," a typical Greek meat-and-potato pie. The French chef prepared "crepes fourrees au foie gras," and the Polish embassy produced "makaron zapiekany 'z Szyzka,'" a type of noodles and ham au gratin.

The popular Finnish coffee breads and short breads were prepared at that embassy, while out of the kitchen of the Italian embassy came "tagliatelle," ordinarily a staple, but today a luxury due to the shortage of flour.

By the end of March, CARE will have delivered 45,000,000 pounds of ration-free, tax-free, duty-free food to the 12 European countries which it serves. However, since UNRRA's activities are coming to an end while a severe winter still grips Europe and before spring crops are

available, the need in these countries is greater than ever.

Local Women

By acting now through CARE, the misery which the people of Europe face during the next three months can be greatly reduced. The calories in just one \$10 food package are enough to keep a person above starvation level for almost a month.

Miss Elizabeth Towle has organized local women who will be in Strawbridge's during the CARE display. They will help donors to fill out remittance blanks, collect money and give information. Delivery of all CARE packages is covered by a money back guarantee.

College Scholarships Open To H. S. Seniors

High school and preparatory school seniors from this area have been invited to compete for eight full-tuition scholarships Muhlenberg College will award for four years of study at the Allentown institution.

Award of the scholarships, valued at \$1800 each, will be determined by the candidate's secondary school record; his character, personality and qualities of leadership; scholastic and literary attainments, and scores in the scholastic aptitude and achievement tests of the college entrance examination board. The examinations must be taken Saturday, April 12, at Muhlenberg, or at any other center of the college entrance examination board.

LESSON-SERMON LISTED

"Substance" is the subject of the lesson-sermon in all Churches of Christ, Scientist, Sunday, March 16. The Golden Text is: "God is able to make all grace abound toward you; that ye, always having all sufficiency in all things, may abound to every good work." (II Corinthians 9:8.)

Among Bible citations comprising the lesson-sermon is the following: "Thine, O Lord, is the greatness, and the power, and the glory, and the victory, and the majesty. . . . Both riches and honour come of thee, and thou reignest over all; and in thine hand is power and might; and in thine hand it is to make great, and to give strength unto all" (I Chronicles 29:11,12).

Know Your State

One of the most important projects now being undertaken by research agencies in the State is the development of non-fuel uses for anthracite.

It is not likely that for many years more anthracite will be used industrially than is employed in the heating of American homes, but within recent years the many valuable properties of this mineral are receiving increased attention.

Geological History

Anthracite is the purest form of solid carbon found in nature with the exception of graphite and the diamond. Its geological history goes back remote ages when a dense growth of tree ferns and club-mosses occupied most of the present area of Pennsylvania. Decay of this vegetation in the moist air of that distant age formed huge beds of plant mold which, as the land subsided, were covered with thick layers of mud.

After this material had hardened through long ages, it was subjected to very great side pressures originating in the bed of the Atlantic Ocean. It is these pressures which produced the peculiar properties of anthracite as compared to bituminous coal, and since the pressures resulted in the folding and uplifting of the areas in which the coal measures are found, they have also added greatly to the difficulties of anthracite mining.

One consequence of this history has been that anthracite is a much denser material than any other form of coal and contains less gas and oil. That is why anthracite is so widely used as a smokeless fuel. Its industrial uses are quite different from those of bituminous coal, but it is only in recent years that they have been much developed.

For instance, it is found that Pennsylvania's hard coal is the best filter medium for municipal use that has yet been developed. Because it is an almost pure form of carbon, it does not react with the chemical salts in a water supply and can be washed much cleaner than silica sand. It is also lighter in weight and cleans more easily. Because of these advantages it has been employed in municipal water filters in more than 30 of our States and in several foreign countries.

Varied Uses

Reduced to pure carbon, anthracite becomes a raw material for the manufacture of many electrical products such as telephone carbon, carbon brushes for motors, and carbon battery plates. It is used in the sintering of ores, in the manufacture of graphite, as a pigment in paint, and as a road-making material.

In Penn Meet

Six Valley Forge Military Academy athletes will compete in the first Spiked Shoe Club trunk meet at the University of Pennsylvania's outdoor oval on Museum Field next Saturday afternoon.

Shep Royle, diminutive blond bullet, and Norm Stein, the football quarterback, are entered in the 60-yard dash. John Martin and Gerald K. Myers will compete in the 880-yard run. Doug Howell, of Warren, O., and Roger Murray, football quarterback, will run the 60-yard high hurdles. Captain David Gardner, former North Carolina University hurdling star, is Valley Forge track coach. He also plans to enter a one-mile relay team in Saturday's meet. The track meet will wind up the winter sports schedule for Valley Forge athletes. Members of the basketball, fencing, wrestling, swimming and rifle teams all concluded regularly scheduled contests Saturday.

Haverford Col. Gets Priceless Gift Of Folios

One of the most valuable gifts of Shakesperiana ever bestowed on an American college—the famous Ellsworth set of all four folio editions of the master's work—has been given to Haverford College.

Formal presentation of the gift, being made by William L. Phillips, of New York City, Haverford '02, will be Sunday afternoon at 4 o'clock at a meeting of the Library Associates of Haverford College.

The Ellsworth folios are the First, 1623; the Second, 1632; the Third, 1664; and the Fourth, 1685. Only a few of the largest and richest libraries in the country have all four. Beginning March 16 the Four Folios will be on exhibition. With them will be another copy of the First Folio, on loan from John Baderston, of California.

Roman military forces were finally withdrawn from England in 408 to defend Rome against the attacks of Alaric.

INCREASE IN WAGES \$1 BILLION 565 MILLION PER YEAR

NEW PAY-ROLL TAXES \$90 MILLION PER YEAR

INCREASE IN MATERIALS COSTS \$683 MILLION PER YEAR

\$2 BILLION 338 MILLION PER YEAR

INCREASE IN FREIGHT RATES \$985 MILLION PER YEAR

Why freight rates are going up...

Since 1939, railroad employees have had three general pay raises totaling 52 1/2%, and the prices of fuel, materials and supplies have risen 61 1/2%.

But when the war ended in 1945, the railroads were still hauling freight at rates no higher, and in some cases lower, than when the war began.

Without increased revenues, railroads could not meet these costs and also provide improvements in equipment and facilities—improvements that are essential for the low-cost freight and passenger services which are necessary to America's high standard of living.

Under these circumstances—and almost a year after the last major wage increase—the Interstate Commerce Commission recently approved an average increase in freight rates of 17 1/2%.

Of all the price increases in America today, few have been so little and so late as that in the price of railroad transportation.

How important are healthy railroads to a prosperous country?

Only when the railroads are financially healthy can they provide the new equipment, improved road beds, and better terminal facilities needed for still better service to you.

The defense of the nation depends upon the continuance of the efficient transportation which served the nation so well in the last war.

The railroads are among the largest employers of labor. They buy over 100,000 different products. They pay big taxes—taxes which are spent not only for public schools, public health, and police and fire protection, but even for highways, airways, airports and inland waterways.

Railroads are America's lifeline—keeping goods flowing among the 48 states day and night in all weather.

They can continue to do this only if there is a reasonable balance between income and outgo. Like yourself, the railroads must make ends meet!

We are publishing this and other advertisements to talk with you at first hand about matters which are important to everybody.

Narberth Courtmen Play Vets

SPORTS SCENE

By JACK FORD

He hasn't received the recognition he so richly deserves, but Henry Drumm has turned out consistently fine gymnastic teams at Lower Merion High and in this sport ranks among the East's outstanding coaches.

Drumm, former Temple University track and gymnastic star, introduced the sport to Lower Merion in 1940 when necessary apparatus was obtained. The following year, L. M. SPONSORS MEET

Lower Merion High will sponsor an invitation gymnastic meet in the Lower Merion Gymnasium, Ardmore, on March 18. Coach Henry Drumm announced yesterday. All members of the Philadelphia Public League will compete, along with several suburban schools.

Drumm coached Lower Merion's first team, which won only one of seven meets in 1940. The following year, Drumm coached the team to a record of 11 wins and 1 loss. In 1942, the team won the Eastern Regional and PIAA meet at State. Lower Merion was unbeaten in 1943, winning the Eastern Regional and PIAA meet at State. Again unbeaten in 1944, Lower Merion capped a highly successful season by winning the State championship.

Last year Lower Merion took the State title for the third consecutive season and again won six of seven meets. In the annual Lower Merion meet last year, the Aces defeated 12 of 13 opponents.

An equally impressive record has been compiled this season. The Drummers have won eight straight meets, including the major victories over West Philadelphia High, 7-2-3; Bartram, 7-0-2; Army, 7-0-2; and the Aces, 7-0-2. The Aces have scored 99 points out of a possible 112 in seven meets. George Price in tumbling and Bob Fowler in rope climb, also two standouts. Twelve other boys found out the squad.

Drumm graduated from Temple in 1929. He helped to organize the Temple's gym team in 1929 and captained the Temple team in 1929. Drumm was the first Temple gymnast to win a medal in the Intercollegiate, taking third in tumbling. He also was a member of the Temple track team for four seasons and variously held the shot, javelin and discus records.

From 1930 through 1933, Drumm coached the Temple track team, which won the national championship in 1932. He coached the Temple track team from 1933 to 1942.

No wonder they're beating the Drummers for Henry!

VETS ACE

BINK MANNING

who will play for Lower Merion Vets Friday night in the opening Main Line League playoff game against Narberth.

Court Playoffs Begin Here

Last week the Boys' Conference closed their regular basketball season. The 24-game schedule was completed by the nine team circuit which represents the local suburban areas. The season was spottily won by many upsets and no team was assured of any position until the curtain finally rang down.

In the opening Main Line League playoff game, Narberth defeated Overbrook, 40-33. The Aces won the game over the second place Overbrook and Manoa quintets. Borwyn has a good and tall team and is highly favored to win the playoffs.

A tie for second place resulted when the lowly National club humbled the high-flying Manoa five, 40-33. This defeat boosted the Aces into a tie for second place with the runner-up position.

Before the final double-header was played, Kirklyn and Narberth were neck and neck in fourth place. In the opener Kirklyn trounced the Nationals 45-28. In the wind-up, Narberth was edged in a thriller by Westgate 31-30. This left Kirklyn in sole possession of fourth place and a playoff position.

For the purpose of deciding the playoff position between Manoa and Overbrook, a coin was tossed and Overbrook won the second place spot for the playoffs.

The playoffs will start this Thursday and will continue for approximately three weeks. Just out of the preliminaries to meet each other in the finals. All games will be played at Lower Merion Downs gym on Monday and Thursday nights.

Joe Lord Wins Scoring Crown

Joe Lord, Villanova veteran, concluded the 1946-47 basketball season with a wide margin in the Philadelphia district scoring race, registering 438 points in 24 games. He had 178 field goals and 82 fouls for an average of 18.3 points per game. Lord, leading both Philadelphia district and State scorers, was the only marksman able to top 40 points. Bob Walters, La Salle, who won scoring honors last year, was second with 318 points.

The leaders:

DiBattista's Matmen Win At Swarthmore

The Swarthmore College wrestling team ended a successful season at Swarthmore, defeating Haverford College, 32-0. Swarthmore was coached by Richard DiBattista, ex-Lower Merion High and Penn mat star.

The meet was the last one for DiBattista.

Boxing Tournament Concludes Tonight

The first annual Delaware County Midget Leatherbelt boxing championship tournament, which started Wednesday, concludes at the Yonon Borough Hall Thursday night with a 15-hour card scheduled.

Individual prizes, team awards and certificates to all participants will be presented this evening upon conclusion of the final two bouts.

Brooks, Coatesville To Meet Monday in Second Playoff Tilt

7 Holdovers For Haverford Court Team

By HARRY ELLSWORTH

Narberth and the Lower Merion Vets, two of the bitter rivals in the Main Line League, square off in the first game of their preliminary Shaughnessy playoff round at Lower Merion High School on Friday night.

The Vets, although competing in the league for the first time this year, have marked themselves as one of the teams to beat in the playoffs.

Narberth, Coatesville and the Vets finished the regular season in a three-way tie for first place. At a subsequent drawing, Brookline was named over Coatesville and Lower Merion drew its inter-township rival, Narberth.

James Torchiana's men have been extremely tough on Aces this year, jumbling the Vets in three of their four regular season contests.

Key man in Narberth's lightning like fast break is George Davidson, a three-way individual scoring champion, who set a new league mark with 441 points this year.

Davidson, who operates most effectively with two former St. Joseph College flashes, Jack Kraft and Harry Kelleher, Jack scored 242 points this year while Kelleher is a defensive star.

Lower Merion will lead off with Haverford, a high-scoring candidate for all-league honors, and Bill Koehler, at forwards, Don Evans at center and dependable George Paine and Harry Davis, ex-Penn court captain, at guards.

The Veterans' Bink Manning and Chuck Viguers will be on hand for reserve duty.

Narberth will have the services of Bobby Bailey, former Lower Merion star, who has been playing at Lafayette College this year.

The second game of the Merion-Narberth "grudge" series will be staged at Bala-Cynwyd on Tuesday night.

The other preliminary round got under way Wednesday night when Brookline and Coatesville met at Coatesville. The second game of this series will be played Monday night on the Haverford Junior High School floor.

In four regular season meetings, Coatesville scored three victories over Brookline, with all games being decided by close scores.

Brookline, after a good start, faltered badly midway through the season. A late rally, featuring a winning streak of eight games, lifted the charges of Herb Good into four games and a Shaughnessy playoff spot.

Mainly responsible for the rise of the Brooks was the return to form of eagle-eyed Bill Poletti and the backboard work of big Bill Zeitz. Zeitz, plus Charlie Gunther, Nick D'Amora and Bill Thomas, will start for Brookline.

Coatesville lost its outstanding scorer early in January when Don Mearns, a star forward, fractured a vertebrae in his back. At this time, the Steelers were leading the league by two games.

Bobby Keesh and Bill Seavey took up the scoring reins dropped by Mearns. Keesh and Seavey led Coatesville into the playoffs for the second straight year. Bill Farra, Bill Law and Joe Proseka complete Manager Dick Silder's starting Steelies five.

Police Exams Will Be Held Mar. 18 And 25

New Lieutenant, Two Sergeants To Be Named

Civil service examinations for a new police lieutenant and two new sergeants of the Lower Merion Department will be held next week. Examination for the lieutenant will be Tuesday, March 18; for the two sergeants the following Tuesday, March 25.

Those Eligible

All grade-A patrolmen and those in higher positions are eligible for the examinations which will be given by the Lower Merion Township Civil Service Commission.

The commissioners will select the new lieutenant and two sergeants from the three men with the highest results for each of the three positions.

At present there are two lieutenants on the force and three eight-hour shifts a day. With the creation of a new lieutenant it will mean that there will be a lieutenant on duty during each of the shifts.

Traffic Duty

Richard W. Thorington, president of the Board of Commissioners, said it was hoped that the two new sergeants would have special traffic duty. "The creation of these two new positions will result in better traffic control," he said, "and is part of an effort being made by the commissioners and the police department to cut down accidents."

Primary Date Is Changed

Will Be Held
Sept. 9, Not June 17

County Commissioners Frederick C. Peters, Foster C. Hillebrand and Raymond K. Mensch, who compose the Montgomery County Board of Elections, announced this week that the State's primary election will be held September 9 instead of June 17, as previously scheduled.

This change is due to action of the State Legislature which passed the Tallman bill changing the primary date, in odd numbered years, from the third Tuesday in June to the second Tuesday in September.

Prior to the war the primary date was fixed, in odd numbered years, for the second Tuesday in September, but that was shifted to the June date to facilitate military balloting.

Another provision of the measure, which has been signed by Governor James H. Duff, requires that nomination petitions be filed 50 days before the primary instead of 71 days as had been the custom during the war years. The new law also fixes the first day to circulate petitions as June 21 and the last day to file petitions July 21.

Man Robbed In Twp. By Two Hitchhikers

A Drexel Hill man was robbed in Lower Merion last Friday morning by two young hitchhikers.

George J. Thomas, 37, of Burmont Rd., Drexel Hill, told Lower Merion police he was robbed of nearly \$100 after his automobile stalled on Righthaven Ferry Rd., Peniodyd, at 3:00 A. M. His two riders worked with him for several hours trying to get the car started and then suddenly turned on him and took his money.

Thomas, a Philadelphia export agent, said his assailants fled into the woods and that he began walking. He was picked up by a taxi-cab which took him to a gasoline station at City Line Ave. and Conshohocken State Rd. where he telephoned police.
